7<sup>th</sup> January 2010

Dear Parents

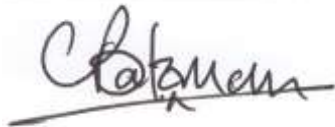

There are major problems with movement about the school site due to snow and ice. School will therefore be closed on Friday 8<sup>th</sup> January with the exception of Post 16 students who will be taught their normal lessons, in the Post 16 building.

A group of Year 11 students and 9G1 maths have also been contacted to attend for 2½ hours on Friday morning. They will enter and leave via the main reception in Kendrick building and will not be allowed around the school site.

If there is a full thaw, then we may contact all students to get them in school. We expect school to be fully open on Monday 11<sup>th</sup> January as normal.

I would like to thank parents and carers for their understanding during these difficult conditions. Please be assured it has been a difficult decision to close the school but I have reluctantly come to that decision, in the interests of Health and Safety of all.

Yours sincerely

**Colin Bateman**  
Head Teacher
